

Annual Meeting of the Japanese Society for Immunology, 2013

Program at a glance

December 11 (Wed.), 2013

Program Room Number	Makuhari Messe	7:30	8	30	9	30	10	30	11	30	12	30	13	20	30	14	30	40	55	15	30	16	15	30	17	30	18	30	19	30	20	30	21					
Room A	International Conference Room 2F			OT1 Overview Talk-1	S1 Surface Barriology							Council Mtg.										W1 Regulation of immune responses by macrophages																
Room B	Room 201 2F			OT2 Overview Talk-2	S2 Spatiotemporal regulation of the immune system							T1 Nippon Becton Dickinson		W2 Immunological tolerance and Immune		W3 Immunological tolerance and Immune																						
Room C	Convention Hall-A 2F			OT3 Overview Talk-3	S3 Epigenetic regulation of the immune system [AAI-JSI joint session]									W4 Tissue and environment-mediated modulation of immunity		W5 Mucosal Protection and Immunity																						
Room D	Convention Hall-B 2F			OT4 Overview Talk-4	S4 Human immunology [SIgN-JSI joint session]									W6 Helper T cell subsets (Th1, Th2, Th9) and their regulation		W7 TFH, Th17 and their regulation																						
Room E	Room 102 1F										T6 TOMY DIGITAL BIOLOGY		W8 Bacterial recognition by innate immune receptors		W9 Modulation of host resistance by pathogenic bacteria and strategies for vaccine development																							
Room F	Room 103 1F										T2 Beckman Coulter		W10 Human Immunology-1		W11 Human Immunology-2																							
Room G	Room 104 1F										T3 Bio-Rad Laboratories		W12 Development of hematopoietic progenitors		W13 Tumor microenvironment and immune responses against cancer																							
Room H	Room 105 1F										C1 Daiichi Sankyo		W14 Molecular mechanisms regulating development and functions of mast cells		W15 Molecular mechanisms regulating development and functions of basophils, eosinophils, and neutrophils																							
Room I	Room 301 3F			OT5 Overview Talk-4	S5 Microenvironments for the immune system									W16 Innate lymphocyte1:NK cell ·γδT cell		W17 Innate lymphocyte 2																						
Room J	Room 302 3F										B1 Pfizer Japan		W18 T cell development		W19 T cell development and signaling																							
Room K	Room 303 3F										T4 Miltenyi Biotec		W20 Systemic autoimmune disease-1		W21 Systemic autoimmune diseases-2																							
Room L	Room 304 3F												W22 Regulation of expression and signal transduction pathways		W23 Regulation of development of various diseases																							
Poster Exhibition	International Exhibition Hall No.7 2F	Poster Set-up	Poster Exhibition (W1 - W23)														Poster Discussion (Odd number)	Poster Discussion (Even number)	Removal																			
Equipment Exhibition		7:30 8:00	Equipment Exhibition														16:30	17:30	18:30 18:50	18:00																		

Annual Meeting of the Japanese Society for Immunology, 2013

Program at a glance

December 12 (Thu.), 2013

Program Room Number	Makuhari Messe	7:30	8	30	9	30	10	30	11	30	12	30	13	30	14	30	15	30	16	30	17	30	18	30	19	30	20	30	21	
Room A	International Conference Room 2F			OT6 Overview Talk-6	S6 Dendritic Cell and Macrophage Immunobiology						General Mtg. & Award Lecture																			
Room B	Room 201 2F			OT7 Overview Talk-7	S7 Tumor immunology [CSI-JSI joint session]														W25 Cancer vaccine therapy		W26 Cellular and antibody immunotherapy against cancer									
Room C	Convention Hall-A 2F			OT8 Overview Talk-8	S8 Effector/ regulatory and memory T cells [DGFI-JSI joint session]									B2 CHUGAI PHARMACEUTICAL				W27 Immune responses in the gut and the skin		W28 Fine-tuning of mucosal and skin immunity										
Room D	Convention Hall-B 2F			OT9 Overview Talk-9	S9 Innate lymphoid cells														W29 Innate Immunity and Inflammation-1; focusing on TLR		W30 Innate Immunity and Inflammation-2; focusing on inflammasome, CLR and other systems									
Room E	Room 102 1F													B7 Astellas Pharma				W31 Microenvironments for immune system		W32 Host immune response to fungal infection										
Room F	Room 103 1F													T5 Affymetrix Japan				W33 Rheumatoid arthritis-animal models		W34 Rheumatoid arthritis-human										
Room G	Room 104 1F																	W35 Organ-specific autoimmune diseases-1		W36 Organ-specific autoimmune diseases-2										
Room H	Room 105 1F													B3 Takeda Pharmaceutical				W37 B cell development and function		W38 B cell activation and regulation										
Room I	Room 301 3F			OT10 Overview Talk-10	S10 Vaccine									B4 TAISHO TOYAMA PHARMACEUTICAL				W39 Immune regulation by dendritic cells		W40 Dendritic cell functions and their molecular basis										
Room J	Room 302 3F																	W41 Molecular mechanisms of T cell activation		W42 T cell activation and adjuvant validity for vaccination										
Room K	Room 303 3F																	W43 Allergic airway inflammation		W44 Allergic inflammation										
Room L	Room 304 3F																	W45 Innate immunity to viral infection		W46 Acquired immunity to viral infection										
Poster Exhibition	International Exhibition Hall No.7 2F	Poster Set-up	Poster Exhibition (W24 - W46)																				Poster Discussion (Odd number)	Poster Discussion (Even number)	Removal					
Equipment Exhibition		7:30	8:00	Equipment Exhibition																		17:40	18:40	19:40	20:00					
			9:00																					19:30						

Annual Meeting of the Japanese Society for Immunology, 2013

Program at a glance

December 13 (Fri.), 2013

Program Room Number	Makuhari Messe	7:30	8:30	9:30	10:30	11:30	12:30	13:20	14:30	15:40	15:55	16:30	16:45	17:30	18:30	19:30	20:30	21:00		
Room A	International Conference Room 2F		OT11 Overview Talk-11	S11 Molecular and cellular bases of chronic inflammation						W47 Innate Immunity in the control of chronic inflammation and diseases										
Room B	Room 201 2F		OT12 Overview Talk-12	S12 B cell memory				B5 Bristol-Myers		W48 Cancer-associated immune suppression and its reversal										
Room C	Convention Hall-A 2F		OT13 Overview Talk-13	S13 Innate immune sensor-mediated signaling [KAI-JSI joint session]						W49 The microbiota and mucosal immune systems										
Room D	Convention Hall-B 2F		OT14 Overview Talk-14	S14 Host-microbial interplay [SFI-JSI joint session]						W50 Regulatory T cells										
Room E	Room 102 1F									W51 Immunological Interface between host and parasites										
Room F	Room 103 1F							T7 Sigma-Aldrich Japan		W52 Antigen Presentation										
Room G	Room 104 1F																			
Room H	Room 105 1F							C2 TORII PHARMACEUTICAL		W54 Immunoglobulin gene diversification										
Room I	Room 301 3F		OT15 Overview Talk-15	S15 Osteoimmunology				T8 Sony		W55 Macrophages: development and regulation of immune responses										
Room J	Room 302 3F									W56 Immune cell trafficking										
Room K	Room 303 3F							B6 MEDINET		W57 Allergy in the skin										
Room L	Room 304 3F									W58 Immune interventions in viral infection										
Poster Exhibition	International Exhibition Hall No.7 2F	Poster Set-up	Poster Exhibition (W47 - W58)									Poster Discussion (Odd number)	Poster Discussion (Even number)	Removal						
Equipment Exhibition		7:30 8:00	Equipment Exhibition									15:00 16:00	16:00	17:00 17:20						
			9:00											16:30
