

The Third Workshop of Synthetic Immunology

Synthetic immunology aims at the synthesis of the immune system from any perspectives. Topics to be discussed include (1) design, reconstitution, and regeneration of immune organs, (2) simulation and synthesis of artificial immune tissues and immunological devices, and (3) human application of synthetic immunology. Studies using wide range of technology including molecular and cellular biology, bioinformatics, computer simulation, robotics, and other engineering are welcome.

Date: 18 - 19 May 2012

Place: Shiran Kaikan, Kyoto University, Kyoto, Japan
<http://www.shirankai.or.jp/e/facilities/access/index.html>

Guest Speakers:

Daniela Finke (University of Basel, Switzerland), Lesley Calderon (Max-Planck-Institute, Germany), Naoto Hirano (Ontario Cancer Institute, Canada), Andrea Brendolan (San Raffaele Scientific Institute, Italy), Yoko Masuda (RCAI RIKEN), Masato Nakamura (Toyama University)

Call for abstracts for oral/poster presentation:

Please use attached form and send your abstract by email to: synimm@ak.med.kyoto-u.ac.jp

Abstract deadline: 10 April 2012

Language: English

Contact:

Takeshi Watanabe (Kyoto University) wtakeshi@ak.med.kyoto-u.ac.jp

Yousuke Takahama (University of Tokushima) takahama@genome.tokushima-u.ac.jp

Organizers:

Nagahiro Minato (Kyoto University) minato@imm.med.kyoto-u.ac.jp

Takeshi Watanabe (Kyoto University) wtakeshi@ak.med.kyoto-u.ac.jp

Yousuke Takahama (University of Tokushima) takahama@genome.tokushima-u.ac.jp

The Third Workshop of Synthetic Immunology: Abstract Form

- Please type your abstract single-spaced underneath and send it by e-mail to synimm@ak.med.kyoto-u.ac.jp (deadline **10 April 2012**).
- The left and right margin should be 2.5 cm each, and the total length of the abstract should not exceed 11 cm.
- Start with the title (in capitals, not underlined), then author(s) (presenting author underlined) and affiliations.
- Skip one line and start with the abstract.

TITLE (in Capitals, Bold, 12 points of Times New Roman)

Your Name, and Collaborators. Affiliations ... (in 12 points of Times New Roman)

Please start the abstract here. 11 points at minimum.
